CRITICAL FLOW SLAs

Top 4 Workflows — Owner · SLA · External Touchpoints (Top 4 shown; remaining 81 flows in Detailed Workflows doc)

Flow	Primary Owner	Step SLA (critical path)	External Touchpoints / Risks
Payroll Monthly Run	Finance Lead	Data freeze D-3 · Calc run D-2 (<2h) · Review D-1 · Pay file D0 by 12:00 · Bank confirm D0 EOD	Commercial banks (ACH file) · Social Insurance Authority (Form 2/6) · Tax Authority. Risks: bank cutoff miss, rate-table drift.
New Hire Onboarding	HR Ops + IT	Offer → accept (48h) · Docs & contract (D-3) · SSO/IT provisioned D-1 · Day-1 checklist (same day)	SSO IdP, MDM, email provisioning · Social Insurance registration (multi-day, async). Risks: IdP outage, SIA registration backlog.
Leave Approval	Line Manager	Submit → manager decision 24h SLA · HR acknowledgment 48h · Balance sync same day · Calendar sync <1h	None external. Risks: manager OOO without delegate — auto-escalate to skip-level after 48h.
Exit / Separation	HR Ops + Finance	Notice → clearance 5 biz days · Final pay calc D+3 · Access revocation at offboarding (<4h from last day) · Cert of exp within 7 days	Social Insurance deregistration · Bank for final settlement · Asset recovery. Risks: asset not returned, unpaid balances.

SLAs are target service levels, not contractual. Full swim-lane diagrams + rejection/escalation branches maintained in workflow source files.
